

Adirondack Partnership for Regional Invasive Species Management (PRISM)

INVASIVE SPECIES
MANAGEMENT
ADIRONDACKS

2023 PARTNER ACCOMPLISHMENTS

Adirondack PRISM partners work together to minimize the impact of invasive species on the Adirondack region's communities, lands, and waters. This dashboard reflects partners' contributions to the four goals of the Adirondack PRISM 2023-2027 Strategic Plan. **For more information visit www.adkinvasives.com.**
